

AskTheLawyers.com™

A Better Way™

AskTheLawyers.com™ is a video-driven legal information source and directory with a curated membership. We offer a private attorney-to-attorney referral network so that you can utilize your professional relationships to be stronger in your practice.

Regular Opportunities for Videos:

- News videos and interviews boost your credibility and image
- Embed videos on your website and social media accounts
- Videos promoted online and can be used for marketing campaigns

Private Attorney-to-Attorney Referral Network:

- Build local, state and nationwide networks of lawyers you can trust
- Earn substantial referral fees by sharing cases with other attorneys
- Maximize your networks and track your communications easily

"The videos worked. I just settled the biggest case of my career."

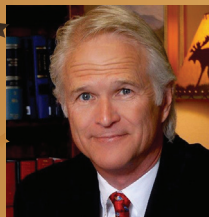

—San Francisco Lawyer

"I wish I had more time to get out there and nurture relationships."

—Houston Lawyer

We welcome you to join our united network of the best lawyers in the country.
